

# God's People

## In this topic children will be able to:

- **ask and respond** to questions about their own and others' experiences and feelings of ordinary people doing extraordinary things and be able to **ask questions** about what they and others wonder about ordinary people doing extraordinary things and realise that some of these questions are difficult to answer.
- **retell** some special stories about religious events and people who show what God is like and will be able to **describe** some ways in which religion is lived out by different saints.

**give reasons** for certain actions by those people they have studied and be able to **make links** between Scripture and the action and beliefs of followers of God's way.

- **make links** to show how feelings and beliefs affect their behaviour and that of others, using the example of Eric or other examples and **compare** their own and other people's ideas about the question of what makes a person do extraordinary things and find it is a difficult question to answer.
- **show how** their own and others' decisions about actions in life are informed by beliefs and values and **describe and show** an understanding of Scripture, beliefs, ideas, feelings and experience, making links between them.
- **show understanding** of how religious belief has shaped the way some people live out their lives.
