

Homes

In this topic children some children will be able:

- to **make links** to show how feelings and beliefs affect how they, their behaviour and that of others in relation to the give and take of living in a family.
- to **compare** their own and other people's ideas about the difficult question of what make a house a home.
- to **make links** between some scripture they have studied and the belief that God can make a difference in everyday life through God's unchanging love.
- to **give reasons** why Christians should try to love others.
- to **compare** their own and others' ideas about what they and others wonder about how God is always with us, and realise that some questions are difficult to answer their own and others' experiences of making choices.
