

# Special Places

**In this topic children will be able to:**

- **ask and respond** to questions about their own and others' experiences of and feelings about special places and **ask questions** about what they and others wonder about special places and realise that some of these questions are difficult to answer.
- **retell** the stories about special places for Jesus and **describe** some ways in which religion is lived out by Christians in terms of pilgrimage and worship
- **make links** to show how feelings and beliefs about special places affect their behaviour and that of others and **compare** their own and others' ideas about questions relating to why some places are special that are difficult to answer.
- use a **developing religious vocabulary** to give reasons why Christians go on pilgrimage and be able to **give reasons** why Christians should care about the world.
